ENDORSEMENTS

"Almost at once, Gretchen is so relatable and somehow familiar. Sharing her life's struggles so honestly, made it easier to examine my own. Better yet, the salve of hope she offered, soothed every broken heart in the room."

- Victoria Yong, President of Women for Christ, Jacksonville

"Words cannot express how much her teaching spoke into my life. Gretchen's application of the Scriptures on joy helped bring my focus back to Jesus as my ever present foundation no matter what life brings my way. As I delight in Him, He becomes the desire of my heart. I am so thankful for Gretchen's wonderful ministry to women!"

- Margaret, conference attendee Destin, Florida

"Of all the women I've had the privilege to meet and hear speak in ministry, Gretchen is by far one of wisest and most inspiring. Her passion for discipleship and for all women to know Christ, overflows in everything she says and does. Gretchen is a well of Biblical knowledge and your event attendees will be blessed to learn from her!"

- Lauren Gaskill, Founder/President of She Found Joy and author of "Into the Deep: Diving Into a Life of Courageous Faith"
